

Invitation and Agenda

Meeting: No. 15 Wednesday 2nd June 2010

Place: Cominos House, 27-29 Greenslopes Street, Edge Hill

Time: 5.30 pm to 7.30 pm

The Network's charter is to identify, develop and action projects that will have a measurable impact on the uptake of sustainable building practices in Far North Queensland. To achieve this, builders, construction service professionals, building material manufacturers, retailers, government representatives, industry and community associations and other interested stakeholders are invited to work together.

A 'contact register' is being circulated. Please leave business cards on the table near the door. Previous minutes can be found at www.greenbuild.com.au/forum

5.30 pm **Introduction** from everyone present and a short explanation of their interest/ activities in Green Building/ Development or Urban Sustainability. A full list of Network participants and their details can be found if you register onto the Forum at <http://www.greenbuild.com.au/forum/>

5.45 pm **Latest News and Announcements:**

- 2010 Building Codes news
- Cairns Home Magazine and Home Show - presentation
- Greenpainters Association – Cairns Event

6.10 pm **Issues for discussion**

- Urban Sustainability Officer: Description of role
- Sustainable House display home subgroup: Presentation of work to date and taking it forward.
- Construction Site Waste Planning pro-forma.

7.20 pm **Subgroup work:**

Greywater: Soil engineers are being brought together to start the soil layer of the Map.
Airconditioning in the Tropics: Cairns Regional Council is putting together a fact sheet and working with Keiren O'Brien from Project Airconditioning.

For more details about the aims and work of the subgroups: <http://www.greenbuild.com.au/forum>

7.30 pm Close. Meetings are to be held on the first Wednesday of every month from 5.30 to 7.30 pm. Next meeting 7th July 2010.
